

'03-'09 4Runner Cup Holder Instructions

1. Prep and paint *top plate* if desired.
2. Attach *top plate* using adhesive of choice (super glue recommended). Ensure that the circular protrusions on the underside of the *top plate* align with the cup holder *base*. It is also important that the arrows on the *base* point in the same direction as the arrow on the *top plate*.
3. Place the cup holder in the vehicle's cup holder location, with the alignment arrows all pointing to the front of the vehicle. Velcro, double-sided tape, sticky tack, and other similar products can be applied to the bottom cross member if you wish to have a more permanent install.
4. The cup holder's *adapters* can be removed by gently squeezing the two (2) retention tabs on the top of each *adapter*.
